- Peter and Glenn plan to organise a number of boat moves. **Action: Peter/Glenn**
- The Cadet row to be reviewed. **Action: Steve/Georgios**
- West Quay is now tidy and plenty of room for visiting competitors campervans - thanks to Peter King.

Vehicles on beach: it was noted that competitors were driving onto the beach and ramp and leaving their cars for too long whilst loading and unloading their boats over the weekend of the Tasar nationals despite arrival information stipulating that trailers were to be unhitched and walked across the beach on arrival and departure. Steve asked Georgios to look at updating the guidance information for the WYC Handbook and for open meetings.

**Action: Georgios**
