

**These boats, trailers and other sailing equipment have been abandoned on Whitstable Yacht Club beach. The club has attempted to trace the owners but we have had no response. Many have been left unpaid for many years. Notice was given on March 20th that in three months, all this property will be disposed of either by scrapping, sale or donation. We have now passed that date. If you think any of this is yours, please email [sailing.secretary@wyc.org.uk](mailto:sailing.secretary@wyc.org.uk) immediately to prevent it's disposal or sale.**

**We are now accepting offers for all the boats with lot numbers. These numbers are attached to the boats so you can inspect them and make an offer to [sailing.secretary@wyc.org.uk](mailto:sailing.secretary@wyc.org.uk) by August 1. Please quote Lot number with your offer. These are bought as seen and the club offers no guarantees as to their condition. Once we have all offers, those with the highest offer will be notified.**

**Laser hull Grafitti  
edition**
